RE: Reference for Albert Barry

We hereby confirm that Albert Barry has done consulting work for our company regarding Marketing Campaigns for our Property Developments Projects in the Helderberg Area, Cape Town, South Africa.

He specifically executed our 3D plans, 3D walkthroughs and rendered marketing material for our Residential Projects.

Albert delivered high quality work in a very professional manner. He was always eager to go the extra mile to deliver the final product on time and on the highest standard.

We highly recommend Albert for any future work, and he will be an asset to any company.

Let us know if you require any further information.

Regards,

FBASSON
